

DESCRIPTION

Tall lid for BBQ 100, made of durable AISI 316 stainless steel. This lid not only adds a touch of elegance to your barbecue, but is designed for optimal performance. Equipped with an external thermometer for precise temperature monitoring, it allows you to roast your food with precision. The tubular steel handle ensures a firm and secure grip, while the keep-warm feature keeps the food warm.

FEATURES

- Stainless Steel Finish
- Stainless Steel Tubular Handle
- External Thermometer
- Internal Temperature Control
