DESCRIPTION

This 30" pyro oven features a great structure, functional and aesthetic qualities that characterize the products of the serie. In addition to the classic cooking modes, there are a series of important technical features such as: double internal convection, "cool" door with 4 glasses, door soft close mechanism and self-cleaning function (Pyrolysis). The standard accessories of the oven include a fully extractable telescopic rack, a meat probe, two flat racks, a pizza set (round rack, peel and pizza stone), enameled tray with anti-splash and tray for AirFry.

FEATURES

Stainless steel finish
 Pizza Pizzeria 350 °C function
