DESCRIPTION

The 30" warming drawer, featuring our exclusive matte black finish, redefines versatility in the kitchen. With its innovative true convection design, this drawer does more than just keep food warm—it also excels at slow cooking, proofing, dehydrating, and defrosting, all within a compact, fully enclosed space. The convection fan ensures even heat distribution from top to bottom, making it the perfect solution for keeping side dishes, pies, or bread at just the right temperature. Stylish, functional, and practical, the warming drawers are indispensable additions to any modern kitchen.

FEATURES

- Knob Control
- Heavy Duty full extension rails
- Large capacity 1.9 cu. ft. (53.3 L)
- True convection heating system
- Even heat distribution
- All stainless steel structure
- Warming Temperature range: min. 90 °F up to 195 °F (min. 30 °C up to 90 °C)
- Push latch system to open and close the drawer
- 2 Internal lights
